SUMMARY

Video Editor & Content Creator with 4+ years of experience producing engaging content for YouTube, Instagram, podcasts, and brand campaigns. Skilled in video editing, cinematography, scripting, and post-production. Currently working at Arbor Academy, managing end-to-end content creation—from planning and shooting to editing and final delivery. Passionate about creating high-quality, story-driven content that connects with audiences.

WORK EXPERIENCE

Arbor Academy - Video Editor

April 2026 Present

- Edit educational videos, YouTube content, promotional videos, and Instagram Reels.
- Collaborate with the team on content ideas, scripting, and planning shoots.
- Assist during video shoots by handling camera setup, framing, lighting, and recording.
- Add motion graphics, subtitles, transitions, sound effects, and color grading to improve the final output.
- Optimize videos for YouTube, Instagram, and other social media platforms.
- Work closely with the marketing team to create content that is both informative and engaging.
- Manage multiple projects while ensuring timely delivery.

Freelance Video Editor & Cinematographer Self-Employed

2022 - Present

- Worked with brands, cafés, hotels, real estate businesses, educational institutes, and corporate clients.
- Edited promotional videos, podcasts, event highlights, advertisements, and social media content.
- Planned shoots, captured footage, and handled complete post-production.
- Created short-form videos that focused on storytelling and audience retention.
- Delivered projects independently while maintaining strong client relationships.

VML (WPP) Finance Intern

May 2025 - July 2025

- Supported the finance team in credit reviews and financial reporting.
- Managed documentation and tracking for 50+ client projects using Maconomy ERP.
- Reconciled financial records and worked with cross-functional teams to resolve discrepancies.
- Assisted in improving reporting accuracy and operational workflows.
