BADAL AGARWAL

Content Strategist | Video Editor | Cinematographer | UI/UX Designer

+91 8529698371 | badalagrawal99@gmail.com | LinkedIn Profile | badalvisuals.netlify.app

PROFESSIONAL SUMMARY

Creative professional with 4+ years of expertise in content strategy, video production, and UI/UX design. Proven track record of creating high-impact visual content across YouTube, Instagram, podcasts, and brand campaigns. Skilled in end-to-end content creation—from scriptwriting and cinematography to editing and post-production. Currently Chief Editor at Orange Elephant, leading 7 junior editors, and freelancing as an AI video generation partner with SEDREX AI. Passionate about crafting story-driven experiences and intuitive digital interfaces that drive engagement and results.

PROFESSIONAL EXPERIENCE

Orange Elephant – Chief Editor *Aug 2026 – Present*

- Lead and manage a team of 7 junior editors, overseeing day-to-day workflow and deliverables
- Review content for quality, consistency, and timely completion; provide creative direction and feedback
- Handle end-to-end editing: storytelling, pacing, transitions, sound design, and visual enhancements
- Current project: Pocket Tones, an AI-based series for Pocket FM

SEDREX AI – Freelance AI Video Generation Partner *Jul 2026 – Present*

- Create AI-powered video content and visual assets combining generation, creative direction, and editing

Arbor Academy – Video Editor *Apr 2026 – Aug 2026*

- Produced educational, YouTube, podcast, and short-form content for an organization serving 500+ students
- Managed end-to-end post-production: rough cuts, color grading, audio cleanup, sound design, and final exports
- Created motion graphics, animated titles, and subtitles; optimized formats for YouTube, Instagram Reels, and Shorts
- Assisted on shoots with camera setup, framing, lighting, and on-location recording

Freelance Video Editor & Cinematographer *2022 – Present*

- Completed 25+ video production projects for brands, real estate, hospitality, and corporate clients
- Directed shoots and handled complete post-production for promotional videos, podcasts, and advertisements
- Created short-form viral content focused on storytelling, audience retention, and engagement metrics
- Built strong client relationships through consistent quality delivery and professional communication

VML (WPP) – Finance Intern *May 2025 – Jul 2025*

- Supported financial analysis and reporting for 50+ client projects using Maconomy ERP system
- Managed documentation, reconciliation, and cross-functional collaboration to resolve discrepancies
- Contributed to process improvements in reporting accuracy and operational workflows
